HSHM Policy

Cellphones are not to be used during school hours. At the beginning of the school year, every student will be assigned a personal Yondr Pouch with an ID Number, similar to being assigned a textbook. While the Yondr Pouch is considered school property, it is each student's responsibility to bring their pouch with them to school every day. Help us create a distraction-free environment so our students can develop the necessary social and learning skills to be engaged, positive contributing members of our community. Please contact Mr. McHale, Dean, at (212) 586-0963 with any questions.

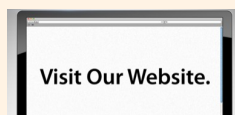

Technology 101

HSHM will be launching a new online learning platform. CANVAS allows students to access all of their courses, submit assignments, participate in discussions, view grades, course calendars, and course materials, all in one platform.

To ensure better communication with our parents and guardians, we will communicate through OPEROO! The Operoo system makes it very easy for you to request a metro card when lost, respond to school forms, field trips, surveys and other consent forms using your mobile phone, tablet or PC. Reduced paperwork!

To ensure our students and families are receiving the most up to date information we will continue updating our Schools Website. **Please visit HSHM.INFO**
