Winter Newsletter

Message from HSHM

Greetings HSHM Family,

The holiday season has arrived! We are so fortunate to be in a community that blends many traditions and cultures each day. Although the events, words, and decorations may be different, we all find a common ground in our traditions among family, love and a devotion to providing our students with rich and meaningful experiences. The High School Of Hospitality Management is proud to present you with our Winter Newsletter. We intend for our newsletter to keep you both informed and engaged in our school community.

HSHM wishes each of you all the best as you celebrate the winter break and holidays with family and friends. We look forward to seeing you in January.

VOLUNTEERS

- Sarai S, Erica O, Laura C, Naomi M, volunteered for a good cause at the Leukemia and Lymphoma Society Light the Night event. They helped set up for this charity event. As a hospitality school, this allowed students to understand what it takes to set up a large scale event.
- Jennifer M, Seianna M, Ambryana C and Ayelen C participated in the Central Park Breast Cancer walk. They walked about 6 miles through the park.
- Kayden W & Ayelen C volunteered at Digital Grandparents. Digital Grandparents, Inc., a not-for-profit corporation committed to providing older adults with access to the wonders of computers and the Internet.
- Shout out to all the scholars who volunteered during the month of December to decorate staff's door with one thematic word that describes a positive community.
